IN ONE PARAGRAPH

Never Roam Alone is a free travel companion website with 893 city guides across 197 countries. Each guide answers the questions people ask before they book: where to stay, what a day costs, how safe the city is and how to get around. Free planning tools, an 'Ask A Roamer' forum and a Roamer's connections board round it out.

WHAT'S ON THE SITE

Interactive world map · every city as a bubble sized by annual visitors

City Guides · 893 guides, one checklist, searchable and sortable

Destination Finder · cities matched to budget, travel time, season, visas

Compare Cities · costs, weather, safety, walkability, side by side

Where to Go This Month · ideal weather and festivals, month by month

Ask A Roamer · questions answered by travelers who have been there

Community & Trusted Travelers · pitch a story, vouch for places

Trip planner, favorites & profiles · save cities, build itineraries
